**Johnson & Wales University Admissions Process:**

**How to Apply**

- 1. Complete your application.**  
Complete the [FSU Application](#). On the application you'll choose a major, list your extracurricular activities, work experience, honors/awards, and courses in progress. If you haven't attended college continuously, you'll need to provide a resumé or description of activities which accounts for all time periods since graduation from high school.
- 2. Pay the application fee.**  
When you submit the application, you'll need to pay a non-refundable fee of \$50 or provide an application fee waiver. The application fee or application fee waiver must be submitted in order for your application to be reviewed. We provide an application fee waiver if you participate in an [official campus visit](#). The application fee is waived for Military Applicants.
- 3. Send us your transcripts.**  
Official transcripts from all colleges or universities you've attended are required, regardless if courses were finished or credit received. Failure to disclose this information may result in denial of admission or retroactive administrative withdrawal from the University without refund or course credits.  
*BSC is not charging for transcripts, just \$2.50 processing fee for NSCH. Please visit <https://tsorder.studentclearinghouse.org/school/select>.*

**HIGH SCHOOL TRANSCRIPT**

We need a final, official transcript from your high school to confirm you've graduated. If you completed the high school equivalency exam (GED/HiSET), we'll need your official score report and an official high school transcript for the period high school was attended. If you complete an associate degree prior to transferring, we do not need proof of high school graduation.
