

Student Ambassador Charter

Our Mission

Bay State College Student Ambassadors are student representatives with a common goal of providing prospective students with a positive image of Bay State College through various events, tours, and activities. This student-centered organization will focus on providing support to the Admissions Office and serve as a distinguished community on campus with leadership responsibilities.

Membership

Student membership is based on an application and interview process. Student ambassador characteristics include positive, energetic, and responsible students. Executive board roles will be determined by votes from within the group. Students must maintain a 2.0 GPA to maintain membership.

Executive Board

- President-Briana Carter
- Secretary- Shelbe Anderson
- Treasurer- Shaunalee McQuade

President

The president of the student ambassadors will be primarily responsible for overseeing all operations of the group. They will play a key role in the group's organization of duties and responsibilities. They will also be responsible for making sure that a representative for the ambassadors is present at the SGA meetings each week. They will be in charge of keeping track of the notes taken from each meeting. The president is also responsible for encouraging and overseeing membership participation.

Secretary

The secretary will be in charge of group emails and all communications within the group. They will be in charge of keeping track of the notes taken from each meeting. The secretary is responsible for making sure we have notes from the weekly SGA meeting. They are responsible for taking a sign in sheet to each event and also responsible for the monthly tour schedule.

Treasurer

The treasurer's key role will be fundraising and the organization of funds. They will also be responsible for any paper work required by SGA/Student Activities. They would be responsible for limited purchasing decisions throughout the year.
