

BAY STATE COLLEGE PLEDGE OF PUBLIC ACCOUNTABILITY

The decision to attend any institution of higher education entails a significant financial commitment. At Bay State College, we believe that any decision of such magnitude should be informed by clear, accurate information. Our website provides relevant information to all prospective students and their parents, including the following:

- [Program Information](#), including costs, curriculum requirements, graduation rates, and median student indebtedness for each program;
- Bay State College [accreditations and approvals](#);
- [Employment Data](#) for recent graduates, as available;
- [Contact Information](#) for Bay State College campuses, branch campuses, extension center and administrative offices;
- Names and titles of the College's [trustees, general and academic administration, and support services](#).
- [Faculty Credentials](#), including the names and academic qualifications of current faculty members.

We also commit ourselves to

- Facilitate the appropriate and efficient transfer of applicable academic credit after an incoming student's transcript has been reviewed;
- Communicate clearly in writing whether completion of a given program will qualify a student for licensure in a career field; and
- Communicate to each student, upon acceptance of her/his application, the estimated amount of financial aid (s)he will receive.

Bay State College is committed to accountability and transparency. We provide this one page statement with links to pertinent decision-making data for prospective students. We also provide other important information in our [Student Right to Know](#) page.
