

Bay State College

The Board of Trustees voted to permanently close Bay State College at the end of the academic year 2022-2023. Bay State College is a closed institution as of August 31, 2023.

Bay State College has partnered with Parchment to provide an online ordering service for transcripts. Please note: All transcript requests will be provided as electronic transcripts. We are no longer fulfilling paper transcript requests.

To serve your transcript needs for Bay State College please click the link: <https://www.parchment.com/u/registration/86992/institution>.

Bay State College was the custodian of records for several other closed institutions: Andover Junior College, Bradford School, Burdett College, Chandler School for Women, Franklin-Morris Academy, or The Philadelphia School of Office Technologies.

To request a copy of your transcript from one of the other closed institutions please click this link: <https://www.parchment.com/u/registration/76011743/institution>

As a closed institution Bay State College no longer provides 3rd party education verification services. Those needing to provide proof of education must submit a transcript request to be sent to the 3rd party verification service provider, this is the only official verification available. To request this, please review the provided information based on the institution you attended and request the transcript through the Bay State College Parchment link or the Custodian of Record link.
