Habitat for Humanity

Over Spring Break, Bay State College sent a twelve-person delegation to York, Pennsylvania to volunteer for Habitat for Humanity. There, the team helped construct affordable housing through Habitat’s Collegiate Challenge Program.

Bay State College would like to recognize all members of the Habitat team, and congratulate them on a job extremely well done and for setting a positive example for the entire community. Now, go get some well-earned rest!
Fun St. Patrick’s Day Events!

- St. Patrick’s Day 5K Road Race, presented by the Boys and Girls Club of Boston, 11:00am
- St. Patrick’s Day Parade, begins at 1:00pm at MBTA’s Broadway Station. Visit www.southbostonparade.org for more information.

- Irish Heritage Trail—Various sites around Boston, visit www.irishheritagetrail.com for more information
- March 13th-17th—Boston Flower & Garden Show, Seaport World Trade Center

Free Celtics Game with CAB...Seriously!

That’s right! The Bay State College Campus Activities Board will be taking 25 students to see the Boston Celtics take on the Washington Wizards at 6:00pm on Sunday, April 7th at the TD Garden.

We are anticipating overwhelming demand for this event. As a result, CAB will be drawing 25 names from a list of those interested. If you would like to enter the drawing, please email Scott Hoffman at shoffman@baystate.edu by Tuesday, March 26th. Please provide your full name, phone number, and best email address to reach you. Winners will be notified by March 29th.

Student Activities Corner
St. Patrick’s Day Facts

1. St. Patrick is the patron saint of Ireland, although he was born in Britain, around 385AD. His parents Calpurnius and Conchessa were Roman citizens living in either Scotland or Wales, according to different versions of history.

2. As a boy of 14 he was captured and taken to Ireland where he spent six years in slavery herding sheep. He returned to Ireland in his 30s as a missionary among the Celtic pagans.

3. Legend has it that he used the native shamrock as a symbol of the holy trinity when preaching and brought the Latin alphabet to Ireland.

4. Miracles attributed to him include the driving of serpents out of Ireland. However, evidence suggests post-glacial Ireland never had any snakes in the first place.

5. St. Patrick’s Day was first celebrated in America in Boston, Massachusetts, in 1737. Around 34 million modern Americans claim Irish ancestry.

6. It is believed that St Patrick died on March 17 in 461AD. It is a national holiday in Ireland, and on the island of Montserrat in the Caribbean, which was founded by Irish refugees. It is a bank holiday in Northern Ireland and a provincial holiday in the Canadian province of Newfoundland.

Bay State College complies with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. If you are a student who is seeking accommodations based on your disability, please contact the appropriate Disability Support Services Coordinator to discuss reasonable accommodations:
