DECA Chapter Success!

The BSC DECA Chapter continued its winning streak at the recent regional competition held in Providence, Rhode Island. Third-year student Andrea George captured 1st Place in the Restaurant and Food Service Management Event. The event involved a written examination and a role-play situation; Andrea was tops in each portion. Andrea seemed surprised and definitely excited by her win. “I felt confident, but had no idea I would beat out all of those other students.” Andrea is a Hospitality Management major, originally from Merrimack, New Hampshire. Her goal is to one day open her own restaurant in a warm climate area.

Bay State Community Gives Back to the Wish Project

On Wednesday, February 8th, nineteen Bay State students, faculty and staff traveled to the Wish Project in Lowell, MA to sort donations for the annual Day of Service. The mission of the Wish Project is to provide basic furniture, home and baby goods to the poor in the Merrimack Valley in order to help them gain independence while improving our environment by recycling goods back into original use. The Bay State volunteers assisted by sorting donations of clothes, assembling furniture, and creating emergency toiletry kits for people in need.

Bay State College complies with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. If you are a student who is seeking accommodations based on your disability, please contact the appropriate Disability Support Services Coordinator to discuss reasonable accommodations:
