Program Total	60 credits	

<b>Advising Notes:</b>

It is the student's responsibility to know and understand the following: 1) that this graduation guide is subject to change; 2) that each academic department at Bay State College may have its own policy regarding the acceptance of transfer credit from other institutions; 3) that each academic department at Bay State College may have its own policy regarding what constitutes a passing grade for a required course; 4) Developmental courses (below 100level) are non-collegiate that receive credit that does not count towards graduation requirements; and 5) an expected graduation date is an estimation, not a guarantee of graduation date, and is dependent on student progression. Students should contact an academic program chair for specific information.
