Student Ambassador Charter

Our Mission
Bay State College Student Ambassadors are student representatives with a common goal of providing prospective students with a positive image of Bay State College through various events, tours, and activities. This student-centered organization will focus on providing support to the Admissions Office and serve as a distinguished community on campus with leadership responsibilities.

Membership
Student membership is based on an application and interview process. Student ambassador characteristics include positive, energetic, and responsible students. Executive board roles will be determined by votes from within the group. Students must maintain a 2.0 GPA to maintain membership.

Executive board
- President: Jinalys Rosario- Garcia
- Secretary
- Treasurer

President: The President of the student ambassadors will be primarily responsible for overseeing all operations of the group. The President will be in charge of group emails and all communications within the group. They are also responsible for making sure a representative for the ambassadors is present at the SGA meetings. The President is also responsible for encouraging and overseeing membership participation.

Secretary: The Secretary will be in charge of taking notes during each meeting. The Secretary is responsible for collecting notes taken at the SGA meetings. They will also be responsible for taking attendance at meetings and events. The Secretary will be held accountable for cataloging notes and attendance records and will provide the President with copies of the attendance record on a monthly basis.
